MUUBS - BEAUTY IN IMPERFECTION

At Muubs we strongly believe in preserving originality and creating long-lasting design products with a touch of roughness. We make objects for the home that celebrate the individuality of the people living in it.

Products that create contrast, play with your imagination, age gracefully and add the missing piece of soul and roughness to our homes.

We call it "beauty in imperfection"

A PART OF DESIGN CONCEPT DENMARK

Design Concept Denmark consists of the two brands: Andersen Furniture & Muubs. The two brands operate as independent and parallel brands, each with its own expression and style.

Our aim is to be a recognized design house in Scandinavia by offering relevant and contemporary designs rooted in our brands. We want to create products that, based on design, functionality and quality, create value for our partners.

Design Concept Denmark has an annual turnover of more than 100 million DKK and approximately 40 employees.
