

MAINTENANCE GUIDE / CASTED IRON

Please read the following maintenance guide before using your casted iron product to ensure a well-protected and beautiful surface.

Casted iron is a strong material. The dark casted iron has a natural dark color and raw surface, that gives each product a majestic statement to the home.

DAILY MAINTENANCE /

- Daily cleaning can be done by dusting the surface with a dry cloth.
- Does not tolerate water.
- Removal of wax from candle holder: we recommend you to place the candle holder upside down in the oven at 70 degrees for 10-15 minutes on a piece of baking paper. To wipe off any stains please polish with a soft and moist cloth.
- Note: Do not use hard sponges, boiled water or other sharp objects to scrub of stains.
